

DECLARATION OF AI USE

Author(s) Name(s): _____

Title of the Manuscript _____

With this declaration, the author(s) provide information regarding the type, purpose, and scope of AI-based tools (such as ChatGPT, Grammarly, DeepL, Quillbot, etc.) used in the study titled above. The author(s) confirm that AI tools were used solely for auxiliary purposes such as language support, grammar and spelling corrections, translation, or limited data analysis; and declare that all original ideas, interpretations, and academic content are solely the work of the author(s).
